

Finish the session by repeating the [Globe Game](#) . You will probably find that pupils now feel a lot more confident in identifying places to which they have a connection, and will feel encouraged by this development.

You may wish to ask the pupils to make a report of their work in a medium of their choice, to contribute to making a portfolio of the project as a whole. They may wish to write a short account of the days activities, or make a cartoon strip, or a recording, or a powerpoint presentation.
